By Helferich, Gerard.

Lyons Press. 1 Cloth(s), 2013. hard. Book Condition: New. "A lonely Manhattan saloonkeeper, John Flammang Schrank was obsessed with the 1912 presidential election and Theodore Roosevelt. The ex-president's extremism and third-term campaign struck Schrank as un-American; he believed TR would ignite civil war, and so answered what he thought to be a divine summons, buying a gun and stalking Roosevelt across seven states before making his move in Milwaukee on October 14. The author of *Stone of Kings* and *Humboldt's Cosmos* here gives us a fast-paced, suspenseful narrative that includes Schrank's own statements and writings, providing a chilling glimpse into the mind of a political assassin. "A lively account of Theodore Roosevelt's would-be murder reveals the roiling issues and personalities of that key campaign . Roosevelt's shooting certainly yanked American politics into the modern era and revealed the courage of the irrepressible victim . [Gerard] Helferich creates several wonderful character studies . within a blistering campaign." *Kirkus Reviews*" 287.

Reviews

This is basically the best ebook we have study right up until now. it absolutely was writtern very properly and useful. You may like how the blogger write this ebook.

-- Cecil Zemplak DVM

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.
