## VARIATIONAL PRINCIPLES (PAPERBACK)

Dover Publications Inc., United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. This graduate-level text s primary objective is to demonstrate the expression of the equations of the various branches of mathematical physics in the succinct and elegant form of variational principles (and thereby illuminate their interrelationship). Its related intentions are to show how variational principles may be employed to determine the discrete eigenvalues for stationary state problems and to illustrate how to find the values of...
