

Managing Business Analysts (Paperback)

By -

International Institute of Business Analysis, Canada, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is full of advice and guidance on how to take on the management of BAs, written from many perspectives. Here you will read about how BAs manage themselves and how they might manage other BAs. You will also encounter information on how Project Managers (PMs) can best make use of the BAs on their teams and on how Senior Management can adapt corporate processes to take advantage of the skills that BAs bring to the table. How will off-shoring affect the use of BAs? How do they fit into the corporate organization charts? What kind of specialized training will they require? This book can help with these questions, and provide expert-level guidance from people who have been there and done that. Here are just some of the subjects addressed in this book: How do PMs manage BAs? How do BAs manage BAs? How do BAs manage when they find themselves responsible for projects? How do functional or line managers manage BAs? How should we train our BAs? What does the career ladder for BAs look like? How should...

Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).
