Enlightenment Cards

By Gary R. Renard

Hay House Inc, United States, 2009. Cards. Book Condition: New. 140 x 96 mm. Language: English . Brand New Book. Gary R. Renard, the best-selling author of *The Disappearance of the Universe*, brings you 72 cards that are guaranteed to accelerate your spiritual progress and help you achieve enlightenment. The thoughts expressed were spoken by Gary's Ascended Master Teachers, and were chosen for these cards with their Guidance. If you read at least some of these cards every day over an extended period of time, you will never be the same. Here are a few sample messages: The nonsensical tragedy of duality is considered to be normal by all modern societies, which are themselves as mad as a hatter. One of the goals of *A Course in Miracles* is to train your mind so that the time will come when instead of judging automatically, you'll forgive automatically. Even though the Holy Spirit doesn't do anything in the world, His interpretation of the level of form can help you see what you should do here.
