Adventure, romance and the power to manipulate economies, are threads woven together in a tapestry of intense intrigue. Add to this speed, passion, and alchemy, and you will find a compelling story that stirs your soul and holds you captive from beginning to end. When Sophie Shaw and Colin Young first meet they are strangers, or so they think, and yet they are strikingly familiar to each other. They soon discover the extraordinary circumstances of their previous encounter and begin to bridge their differences, in the form of his profound logic and her intuitive wisdom. In doing so, they unknowingly become the lightning rod for an ancient alchemist's anger and vengeance. Having learned that fear is good for business, Vidal Cornelius has spent lifetimes perpetuating it. He believes that by instilling uncertainty into the masses he can keep the control where it needs to be; in the hands of a few like him, who know how to use it for their own gain. As Colin and Sophie's connection deepens, it threatens everything Vidal stands for, and before long they find themselves confronted by his dark intentions in two different realities. With everything at stake, the story reaches its climax in a high-speed chase, some amazing manoeuvres, and a few touches of magic, as the source of Vidal's rage and the true nature of Sophie and Colin's power, are revealed. Enjoy this suspenseful, deeply mysterious and heartfelt escapade. Cosmic and Wild is such an extraordinary story, I couldn't put it down! - Nicole Matarazzo Cosmic and...
