STONE AND SPRING

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. One wintry night in Wyoming, a group of men come calling to collect a debt - the life and service of Stone, the young woman at the center of this strange and mythical frontier tale. Stone was promised to the mysterious Wranglers as payment for her father s debt, but when they come to take her on her 13th birthday, she escapes. Guided by the advice of three wise women, Stone and her friend, Thomas, set out into the wilderness on a journey to confront her father and uncover the truth about her origins. But the woods are filled with horrors the travelers could never have imagined. And there are powerful forces working to make sure they don t succeed. How will Stone s young life be transformed by her mystical quest? Brittany Tuttle is a graduate of Colorado State University s creative writing program and won an award from Zoetrope: All-Story while still a student there. Her work has been featured in several online and print publications. She grew up in Colorado and now lives in Western North Carolina with her family. She is at work on a novel. This is a short audiobook published by Shebooks - high-quality fiction, memoir, and journalism for women, by women.
