Ediciones Gaviota, S.L., 2005. soft. Book Condition: New. This collection of reading books offers the smallest members of the family the chance to enjoy the fun and adventures of the characters in their favourite Disney films. Each book includes the story of the film in numerous pictograms, a way of learning new vocabulary and consolidating their reading comprehension. For this, as the text develops, blank spaces appears which, substituting nouns and adjectives in the text, encourage the readers to let their imagination go and discover the missing word. Then, in the pages full of stickers, they have to find the corresponding drawing and word. Enjoyable exercises that provide effortless fun in the company of the most famous and admired characters from the Disney factory.
