REHAB IS MURDER: FORMERLY CYGNET (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Tracy and her crew are racing her partner, Lee Brooks, and she has brought her father along. It is the first time he has ever ridden with her on a sailboat. Tracy is in her element aboard a sailboat, especially if it is hers. She becomes saltier, more demanding, and tougher than she ever is ashore. Once the race is over, the friendly bantering begins, with her father getting an earful about his Captain Bligh daughter. This continues until they are on the dock. There is a hubbub, a growing din of many chattering people moving towards them. A very famous western singer is in the center of the mob. As they draw closer, the singer's roadie frees her from the crowd, and with the aid of some security people, manages to get the mob, including the Paparazzi back off the dock. Shelly Summers, the singer, hails Tracy by name, then hugs Tracy's Father. Shelly has been Tracy's bff since their Sophomore year at RFK High School in Santa Monica. She has flown to the Bay Area specifically to see Tracy. Shelly is being blackmailed. She recently was an inpatient at the exclusive Cygnet Program, a twenty-one day substance abuse hospital and campus in Southern California. Tracy enters the program a couple of days later, going undercover by being committed to the detox ward by her pseudo husband, a local PI. She has gotten herself intentionally drunk for the occasion. While in Detox, she discovers a fourteen year old girl, who is completely messed up with drugs. The girl can't seem to get rid of the stupor she came into Detox with. One minute she's getting better, the...
