By S. Jayantam

Bharatiya Kala Prakashan, New Delhi, 2013. Soft cover. Book Condition: New. 258pp. A Broader Understanding of Yoga' is an outcome of sincere effort made by the author to delineate the true meaning and purpose of yoga by referring to ancient scriptures as well as by citing life histories and teachings of few great yogis and spritual personalities in brief. Selected Vedic mantras are incorporated occasionally in some chapters especially, in the chapters pertaining to Bhakti-yoga. Further, Appendix-I of the book is exclusively assigned to few selected Sun mantras. It is hoped that the students of yoga will be greatly benefitted by integrating some of these mantras...
