Excerpt from **A Commentary on St. Paul's Epistle to the Romans** Of commentaries published since the first appearance of this work in 1877, I may mention that of Godet, published in 1879, 80, marked by keen insight into the apostle's meaning and great charm of style, but not always reliable in grammatical and critical details and that of Oltramare, published in 1881, 82, careful and scholarly, especially in grammar, but, as I think, less in harmony with the thought of Paul. These works we owe to French Switzerland, their writers having been professors at Lausanne and Geneva respectively.
