## Ethics in Health Services Management, Fifth Edition (Paperback)

By Kurt Darr

Health Professions Press,U.S., United States, 2011. Paperback. Condition: New. 5th Revised edition. Language: English . Brand New Book. The ethical dimensions of managing health services are daunting. The newest edition of Ethics in Health Services Management provides the principles to educate students and guide practitioners as they strive to make the right decision when ethical problems arise. This highly regarded volume teaches managers how to recognize and respond confidently to the challenges of ethics and conduct in health services management. Offering a solid foundation for effectively identifying and solving ethical problems, this book objectively examines the difficult choices and ethical implications raised as managers operationalize the principles of respect for persons, beneficence, nonmaleficence, and justice. It examines the role of the organization's culture and its values, mission, and vision. Specific attention is given to the importance of the manager's personal ethic, various types of specialized ethics committees, and the role of professional codes of ethics. Further, the author thoughtfully explores numerous topics that affect contemporary health services organizations, including moral frameworks to apply to one's personal ethic, the importance of virtue ethics, utility theory and futile treatment guidelines, organizational philosophies and mission statements, selecting new staff members using values compatibility, systems conflict and conflicts of...

### Reviews

*This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).*

-- **Abe Reichel DDS**

*Definitely one of the best book We have at any time go through. It is actually filled with wisdom and knowledge I am quickly could get a delight of studying a published book.*

-- **Dr. Kim Bergnaum**
