By Dr Christian Anthony Maciel

I want to challenge you to let this book be a springboard for wrapping yourself in God s guidance every day and every year of your life! Life is difficult; we need God more than ever. As you read this book, pray for yourself and remember that God wants to help you and bless you. Do not let other people, your own mind, or your past to tell you that God does not care about you. This is a battle we must fight every day, but it is one we are destined to win because God is on our side. Also pray for those in your life who need God, and for those who have never heard that God loves them. My prayer for you is that you will stay strong and move toward God every day.
