Reviews

A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Here is how the book begins. In the past 1,000 years Europeans murdered 9.5 million Jews. That s a pace of about 1 million per century. Very few of the murderers were brought to justice of any kind. The murders were always accompanied by robbery, extreme violence, and the destruction of synagogues. There were only a few nations around the edges in Europe where it was not open season on Jews during these 1,000 years. The worst part is that Europeans have not changed and today again are menacing the survival of the Jewish state of Israel, even though it is located in Asia, not Europe. I am not talking of any sovereign nation. None of these is in a status of enmity with Israel and several are friendly. Their representatives are responsible to an electorate and prosecuting a war against Israel is not on the agenda of any parties there. The danger comes from an abomination called the European Union where bureaucrats, answerable to no one, controlled by no one, driven by raw anti-Semitism, are doing everything they can to cause trouble for Israel, aiding and abetting Israel s enemies in any way they can at every turn. Every leading EU bureaucrat is likely to be a descendant of someone who murdered Jews along the way and they all manifest themselves in the eyes of Israelis as avatars of those murderers come alive, ghouls with blood dripping from their eyes, fangs thrusting from their mouths, and talons from their fingers. At the EU the dead have possessed the living and are controlling their actions. Not a day goes by without a new threat emanating from the EU. The latest one is...
