

## Neptune: The Stormiest Planet (Hardback)

By Ellen Lawrence

Ruby Tuesday Books, United States, 2013. Hardback. Book Condition: New. 256 x 202 mm. Language: English . Brand New Book. Did you know that on Neptune there are winds that blow six times faster than the most powerful hurricanes on Earth? Or that scientists have discovered that Neptune has 13 moons, but there might still be more to find? These and dozens of other fascinating facts provide a perfect high-interest introduction to the furthest planet from the Sun, Neptune. Filled with information perfectly suited to a second-grade audience, this accessible, high-impact book combines solid science, technology, and even math with up-to-the-minute information, odd and often quirky facts, and astounding space photography. It also provides plenty of surprises and teachable moments that will draw young children into a rewarding, kid-friendly reading experience.

### Reviews

*I actually started out looking at this book. It really is rally interesting throug studying time period. I am just happy to inform you that here is the greatest ebook i have read through within my personal daily life and could be he best book for possibly.*

-- **Miss Myrtice Heller**

*I just began reading this pdf. It is actually writter in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Jensen Bins**
