

The Future: Plain, Simple Scriptural (Paperback)

By Dr Gary C Sutliff

Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An easy to understand presentation of future events are laid out in a straight forward manner using many figures and charts in this foundational book. Based on future Biblical prophecies, a basic question is answered: What is going to happen to .? with chapters on the Earth, me (a believer), me (not a believer), America, and Israel, in the first part of the book. In the second part of the book overviews are provided for several fascinating future times such as; the Tribulation, the Millennium and the New Heaven and New Earth. The author takes the scriptures seriously, interpreting them in a literal fashion with the recognition that Jesus the Christ is coming back to Earth to establish a glorious kingdom which He shall reign. This work is designed for people who believe the Bible is the Word of God but have little background or experience in the subject. Everything is presented in a very basic and understandable method, and those who read this book will come away with an excellent perspective of what is going to be happening...

Reviews

Totally among the best publication I actually have actually go through. It can be filled with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Glen Ernser**

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
