Libros, 2012. Paperback. Condition: New. Language: Spanish . Brand New Book ***** Print on Demand *****. La autoridad en la familia puede ejercerse de diversas maneras. Este libro es una ayuda para padres de familia, solteros o divorciados, para poder encontrar un equilibrio en la manera de educar a los pequeños de la casa con amor y responsabilidad. El libro abarca temas difíciles para todas las edades y da un análisis de cómo las familias han evolucionado durante los últimos 50 años y cómo esto ha cambiado la percepción de la vida familiar. También explica la influencia que los padres pueden tener en el desarrollo de los niños y provee varios ejemplos comunes desde cómo manejar los terribles dos años hasta cómo abordar temas difíciles con los adolescentes. This book (translated: Who is the Boss?) is a handbook for parents on how to successfully create and maintain boundaries with their children at home by explaining how authority is portrayed by the Holy Scripture in the 4th commandment. By aiding parents - including single, married and divorced guardians - this book makes an analysis of how households have evolved during the past 50 years and how it has changed the perception of family life. The book explains parental influence in children and how to exercise it during their developmental years into their adulthood. It gives several examples from how to handle the terrible twos to how to approach tough topics with teenagers. Paperback.
