# MAPPING URBAN SPRAWL USING GIS, REMOTE SENSING AND SPATIAL METRICS

Matthew McCready  
Mapping Urban Sprawl  
using GIS, Remote Sensing  
and Spatial Metrics  
A comparative study of two European cities over  
time from Landsat 5 Thematic Mapper imagery

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | A comparative study of two European cities over time from Landsat 5 Thematic Mapper imagery | Urban sprawl is a global phenomenon and has been associated with significant alterations to surface runoff, damaging effects to the environment through suburban development as well as human health problems, particularly in larger urban centres as a result of the heat island effect. Advances in Geographical Information Systems (GIS) and digital image processing software packages in...

## Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).*
