Clocktower Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you follow the continuous daily press coverage - nobody seems to really understand the underlying explanation of Donald Trump s shocking rise to power in the 2016 presidential election. Here s the basic info: Mitch McConnell is the guy to watch, not Donald Trump. Trump and all of his clown circus are just a distraction. Yes, it s a Constitutional crisis, on many levels, but Trump is merely a distraction. The real guy to watch is Mitch McConnell, who engineered the derailment of Hillary Clinton s popular election victory by some three million votes. In many ways over the past eight years, including denial of Obama s moderate Supreme Court nominee in favor of a radical corporate henchman, and engineering the overthrow of Hillary Clinton s wide popular election victory, Mitch McConnell and his corporate owners have ensured that we never see health care reform - at any cost. Why? Because the corporations who own Mitch, and who run a national U.S. holocaust in corporate health care denial (laughingly called health insurance ), steal a trillion dollars every year from our economy, and they do not want to lose it. Neither the corporations nor their political arm (the Corporate Party, laughingly called republicans ) could afford to allow Hillary to assume office as the popularly elected President of the United States. According to a landmark 2009 Harvard study, health care denial kills over 45,000 U.S. citizens a year. You could be next, or your child, your spouse, or other loved ones. Not only do Mitch McConnell s owners murder over 45,000 citizens a year (an ongoing U.S. national holocaust that nobody talks about, including the corporate press, which is not a free press...
