A coloring book and paper doll in one, Christmas Day will never be the same because this book will keep you entertained all day with eleven different outfits to choose from. Being Santa is like a weekend job, the poor fella is only employed at the end of the year, so what does he do the rest of time? He might be Stan from accounts or Trevor the repair man. You may have holidayed with him in Hawaii or talked mortgages with him at your local bank. Secret Santa is a Grown-up Paper Doll cut out book that you color in. Make his hippie outfit as wildly psychedelic as you want, choose his corporate suit colour, heck even colour his traditional Santa Suit anything but red if you want. You can even photocopy each of the eleven outfits and redo them in many different colorways, just because you can. This is Santa as you have never seen him before. Bonus pictures from Collette s other books with a Christmas theme are included!.
