Pearson Education (US), United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Written by the world-renowned Zed Shaw, this book of 52 hands-on projects is perfect for everyone who s written Python code but isn t yet comfortable taking new ideas all the way to finished software. The perfect follow-up to Shaw s best-selling Learn Python the Hard Way, this all-new, step-by-step book teaches you how to: Approach new problems in ways that lead to better solutions Analyze a concept, idea, or problem to implement in code Design a solution based on your analysis Implement your solution in the simplest way possible Systematically improve your programming skills through real projects Each project in Learn More Python 3 the Hard Way helps you build a key practical skill -- combining demonstrations to get you started, and challenges to help you achieve even deeper understanding. Shaw organizes this practical programming course into five sections: working with commands, organizing and using data, applying algorithms, processing text, and implementing simple internet-style networking protocols. Along the way, Shaw stresses efficient processes and practical hacking mindsets -- helping you gain true mastery, not just follow recipes!.
