L27 2006d OCLC Number: (OCoLC)70914261 Subject: Autism -- Research -- Law and legislation -- United States. Excerpt: . . . 15 moting any consolidation, the committee expects the NIH to retain a separate, distinct focus on environmental health factors as they potentially relate to autism spectrum disorder. In addition, beyond the authorization of appropriations, the com-mittee further clarifies that NIH can use up to 5 percent of the grant amounts for administrative and other expenses. Although the committee understands the need for the NIH to have such taps, the committee is concerned about those taps being too high and divert-ing scarce resources to administrative expenses. In an effort to clarify the committees intent that these provisions do indeed sunset at the end of the authorization period, the com-mittee has provided specific sunset language. In providing this lan-guage, the committee intends to reauthorize this critical law within the timeframe specified to ensure that the committee provides ap-propriate oversight of these issues. Except for the provisions related to biomedical research at the NIH, the committee does not separate autism spectrum disorder from other developmental disabilities because the committee recog-nizes how necessary it is to continue to provide such services and epidemiological research in a comprehensive manner. However, given how little is known about ASD in biomedical research, the committee consciously decided to focus solely on ASD in that par-ticular context. The committee appreciates the work that the director of the Cen-ters for Disease Control and Prevention (CDC) has already done in implementing the provisions of section 1 of the Childrens Health Act of 2000. Recognizing that, the committee updated...
