

The Nicaragua Canal, and Other Essays on Political and Economic Topics (Classic Reprint) (Paperback)

By Richard H McDonald

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Nicaragua Canal, and Other Essays on Political and Economic Topics To lessen the cost of transportation would enhance values of California productions and give stimulant to the development of the State s resources. Our products are already of large variety and immense in quantity, and are destined to reach almost incom prehensible proportions. We now need all the markets we can get in the East, and in future the need will be greater but it will be impossible for us to command them in competi tion with foreign producers, if they have any substantial advantage in the cost of transportation. No part of the nation will be more benefited by the Nicaragua Canal than California. The canal will enhance the importance of San Francisco as a commercial cen ter; as a distributing point its terri tory has been invaded on the north and on the south by rail lines leading from the East to the principal cities of Washington and Oregon, and to Los Angeles. It will be the terminus of all steamship lines to this coast. Their ships may...
