Reviews

This sort of book is every little thing and made me searching ahead and more. Sure, it is actually play, nonetheless an amazing and interesting literature. You wont feel monotony at whenever you want of the time (that's what catalogs are for relating to in the event you ask me).

This book was written by my late father, Dusan Lukich, in the late 1980s and early 1990s and published during 1991. It was a massive project for my father but one he felt compelled to complete for, as he states in the book, the truth about events in the Tromedja area of the former Yugoslavia during WWII needed to be told. As important, he wanted to ensure that the names of those who suffered, fought and died during that time, in that part of the country, would be remembered for their sacrifice. Therefore, the book is not a story about him as much as it is a historical reference document. The victor, it is said, gets to write history, and many have done exactly that with their selective and varnished versions all the more reason for my father to have written a book containing truths from someone who witnessed firsthand, the actual events that took place during that point in time. The book was originally written in Serbian Cyrillic using a Cyrillic typewriter for each of its 335 pages. I translated this book and did not attempt to update it in anyway (other than adding a map at the end of the book) so it is important to keep in mind that it was originally published in 1991 and many events have taken place in the former Yugoslavia since then. However, this does not effect the historical aspect of this book describing events during World War 2. This book is not a word-for-word translation although it is close. I recognize this book would not be considered an official translation by the literary world. And no doubt those whose mother tongue is...
