

Who's Teaching Who?: Stories of Hope and Lessons Learned in My First 10 Years of Teaching (Paperback)

By Brian G Sites

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Every teacher has the desire to unlock the potential of each student, yet many often feel frustrated that students are not working hard enough, or achieving the level of results expected. Combined with the many other stressors related to being an educator, nearly half of all new teachers leave the profession within the first five years! By following several principles that shape the daily decisions an educator must make, one can bring out the best in their students, and re-ignite their passion for teaching! Written by a national award-winning and National Board Certified teacher, this book is filled with inspiring stories of students overcoming adversity as well as helpful tips on how to survive the stress of teaching, and get results from even the most challenging students!.
