When you feel that there is more to your life than what you currently have, and you are ready to understand the dynamics that silently structures your life - you begin to awaken. There is a higher consciousness from which any answer can be found, any reality achieved. This higher consciousness is not to be identified with your physical body or your personality. This higher consciousness is the I and the WILL, and if used correctly can steer your life in any direction you choose - you need only to focus it. Everyone has a higher consciousness yet only few ever realize it. The correct use of the WILL is not to be controlled by outside forces or the physical world, but to have control over them. This is achievable through the varied states of consciousness that have always been available to you. The Arcane Formulas is a supplementary addition to the Arcane Teaching , and includes exercises to achieve a higher consciousness to be used to transmute one mental state into another. Its occult beginnings are not to be confused with witchcraft or any other form of archaic magic, negative or positive. It is simply a Truth, and if used correctly will grant you the key to heaven on earth .
