Reviews

This publication is great. It really is packed with knowledge and wisdom Your daily life period will probably be transform when you complete reading this article book.

(Wilford Metz)

SMALL FEET S MANY MOON JOURNEY: STRINGBEAN HOOPER WESTERN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. large type edition. Language: English . Brand New Book ***** Print on Demand *****.Fay Risner has brought Stringbean Hooper to life again with this second story in the Stringbean Hooper series about his adventures in the West. Looking forward to a journey across country to San Jose, California, Stringbean and his wife, Theo, have no idea just how much trouble they would get into. Mishaps like upset Indians, a flood, a mad bear, a crazy woman with prairie fever and more happen to the Hoopers. Through it all, Stringbean meets the challenges with his usual sense of humor, but he notices as the journey drags out Theo is getting crankier by the minute. He sure hopes she lightens up by the time they get to her brother s wedding in San Jose. It didn t help to have warning advice freely handed out to Theo, known as Small Feet, by Indian shaman Matilda Vinci about being careful around Stringbean, Sioux name Walking Dead, so he doesn t get her killed.
