Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Excerpt from The Production of Clean Milk and Cream for Industrial Purposes: Illustrated This booklet has been written for dairymen and milkers who produce milk and cream, destined for delivery to a creamery. Its object is to contribute to the incessant efforts for the improvement of milk as a raw material for the manufacture of dairy-products. It is kept free, as far as possible, of learned expressions and figures, in order to make it a practical guide for those dairymen and milkers, who have not had the privilege of attending instruction-courses in dairying. The problems of the eradication of Tuberculosis in milk cows, and other diseases in cattle have not been dealt with in this treatise, as being of a veterinary nature and outside its scope. The hope is felt that it may help to impress on a great numbers of dairymen and milkers the urgency of greater efforts for the production of clean milk; the raw material for a class of food-products, that has such...
