The New Press. Paperback. Book Condition: New. Paperback. 269 pages. The extraordinary, widely praised memoira masterpiece about a life which itself is a sort of masterpiece (Oliver Sacks)Chosen as a best book of the year in 2007 by the Chicago Tribune, Publishers Weekly, and Playboy, Studs Terkels memoir Touch and Go is history from a highly personal point of view, by one who has helped make it (Kirkus). Terkel takes us through his childhood and into his early experiencesas a law student during the Depression, as a young theatergoer, and eventually as an actor himself on both radio and the stageoffering a brilliant and often hilarious portrait of Chicago in the 1920s and 30s. Describing his beginnings as a disc jockey after World War II, his involvement with progressive politics during the McCarthy era, and later his career as an interviewer and oral historian, Touch and Go is a testament to Terkels generosity of spirit, sense of social justice and commitment to capture on his ever present tape recorder the voices of those who otherwise would not be heard (The New York Times Book Review). It is a brilliant lifetime achievement from the man the Washington Post has called the most distinguished oral historian of our time. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
