It is a fascinating visual record of a decade that took Britain to the very brink of disaster. It is a beautiful gift idea on its own, or as part of this popular series. The 1940s took the country to the very brink of disaster in a war that was fought as much in its towns and villages, as on the battlefields of Europe, Africa and elsewhere. Against all the odds the enemy was defeated, leaving the nation victorious but facing severe challenges in its post-war years, leading to an extraordinary period of social reform.
