OBELISCO, BARCELONA, 2013. Grapado. Condition: New. Dust Jacket Condition: Nuevo. 1. Los mandalas son representaciones simbólicas presentes en la mayoría de las culturas, ya sea en la naturaleza, en el arte o en el mundo microscópico. Estos mandalas han sido concebidos para los que se sienten presionados por el tiempo y atormentados por los recuerdos del pasado y las promesas del futuro. . . En el momento presente el tiempo ya no cuenta, pues todo lo que importa está contenido en el ahora. Hoy en día el tiempo parece haberse acelerado y que los años pasen a una velocidad incomparable. Vivir el momento presente requiere, por lo tanto, una toma de consciencia y una elección de cada momento. Eso es lo que estos dibujos te ayudarán a conseguir. . . Cuando vivimos el momento presente, aprendemos a aceptarnos, acogernos y amarnos, porque en el instante no cabe comparación, suposición ni juicio. El momento presente nos devuelve a lo esencial y lo esencial está en uno mismo. LIBRO.
