

Street Painting: A Guide for Young Artists (Paperback)

By S M Lappe

Strategic Book Publishing Rights Agency, LLC, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Street Painting: A Guide for Young Artists is a book by an art teacher that delves into the creation of original street paintings. This information can be used anywhere there is asphalt or concrete. S.M. Lappe wrote his eye-opening tutorial for young artists, because nothing like it has ever been published on this art form before. This start-to-finish unique tutorial includes several photos of young artists working on different stages of their street paintings. About the Author: S.M. Lappe lives in the Chicago area where he teaches art. He has been writing for ten years and his photographs have been published in the Chicago Tribune. Inspired by his students and his own children, his next book is a self-illustrated children's book. Publisher's website: /SMLappe.

Reviews

It is one of the best publications. It is among the most remarkable publications I have read through. Your lifestyle period will change once you complete reading this publication.

Simply no terms to explain. I am quite late in starting reading this one, but better than never. It has been written in a remarkably easy way and is particularly helpful soon after I finished reading this book where it basically changed me, affected the way I really believe.
