Yet, in the world of literacy instruction, teachers often feel as though they are battling equally severe and frightening conditions that hinder literacy success. The dragons in the book serve as analogies for dyslexia problems, which often cause stumbling blocks to literacy mastery. Descriptions and ways to differentiate remediation for four types of dyslexia provide insights for veteran teachers as well as novices. *SLAYING THE DRAGONS* provides practical, down-to-earth information about researched and proven literacy instruction by using a delivery that is both succinct and thorough. Modifications for ELL students, gifted and talented and other exceptionalities show up adjacent to strategies. In addition, technology modifications offer methods of differentiating. Through a source in the text, teachers gain an opportunity to create their own adapted materials.
