U.S. Department of Education Strategic Plan for Fiscal Years 2011-2014

By U S Department of Education

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.In President Obama s first address to Congress, he challenged America to meet an ambitious goal for education: By 2020, we will once again have the highest proportion of college graduates in the world. Meeting this goal is vital for securing our long-term economic security, because the country that out-educates us today will out-compete us tomorrow. We must work to ensure that all children and adults in America receive a world-class education that will prepare them to succeed in college and careers for rich and fulfilling lives in a vibrant and prosperous democracy. We often refer to the President s goal as the North Star for the work of the U.S. Department of Education as described in this fiscal year (FY) 2011-2014 Strategic Plan. A generation ago, we ranked first in the world in the rate of college degree attainment for 25- to 34-year-olds; now we rank 16th, and the global achievement gap is growing.1 Reaching the President s goal will require comprehensive education reforms from cradle to career, beginning with children at birth, supporting them through postsecondary...
