Brand New Book ***** Print on Demand *****.Patchwork 15 Preppy Patchwork Projects Patchwork. There is something that is so charmingly addictive about the adorable little patterns you can make, and the cute little creations that come out of them. It doesn't matter if you are making toys, clothing, accessories, or things for the home, there is just something so cozy about a patchwork project, you simply can't help but fall in love with it. But in our modern day, patchwork projects are getting harder to come by. People are more worried about the modern than they are what is homey and cozy, which means patchwork creations are a dying trade. You know you can't imagine a world without these adorable projects, and simply through your love of these patterns, you are going to keep the fashion trend alive. But how? How are you going to find the patterns and projects that you can use in your modern life, but still hold that charming feel? Where can you find these things to make yourself? That's where this book comes in. In it, you are going to discover a plethora of different creations and patterns that you can make and use around your own home and in your day. From adorable totes and pot holders to charming throws and coffee cozies, this modern world still has room for the patchwork pattern. Are you ready to celebrate your sewing skills with these preppy patchwork pieces? Look no further than what you'll find here. You're going to fall in love, I promise. Learn how to make a variety of patchwork craft pieces Have fun with the patterns as you express yourself Get creative with classic...
