

The Cybelene Conspiracy

By Albert Noyer

BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Surgeon Getorius Asterius, his wife Arcadia, the eunuch archpriest of a pagan fertility cult, the female head of a heretical Arian church, and an ambitious senator in league with a Chinese merchant: these are the prime movers in this mystery set in Ravenna, Italy, in A.D. 440. When Getorius is summoned to examine the castrated body of a youth found by Thecla in her Arian church, who is the sobbing Vestal Virgin nearby? Is there any connection between this crime and the fact that a senator is smuggling counterfeit Western coins to the Eastern Empire, and contraband Chinese products back to Ravenna? A coded message leads to a secret tunnel and the sinister temple of Cybele, whose devotees are self-mutilated eunuchs. In a stunning climax, the conspirators try to escape Ravenna, planning to sell their products in Egypt, but failing to recognize the deadly nature of what they are carrying.
