Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Recipes to Cook in a Hotel Room Going on vacation can be an exciting and fun experience. But after living for a week or more in a hotel room, your waistline and your wallet will feel the pain. This was true for me after a dream vacation to Disney World. Eating out can be expensive! And after doing so for a length of time for every meal and you may be begging for something simple or home cooked. This can be true whether your trip is for business or for pleasure. The problem is, many hotels, motels or hostels don t have kitchens so they lack the basic cooking appliances that one needs to cook in their room. Disney World in Orlando is especially guilty of this. But there are other pre-packaged destinations and spas that are guilty of the same. Many places don t even give you a continental breakfast. So, I looked around the hotel room and figured out that there are three items standard in every hotel room around the world that can be used as make-shift cooking appliances. These are the coffee maker, the clothes iron and the hair dryer. Every hotel also has a mini-fridge so some of the items here will need refrigeration. Using these appliances and only these appliances, I have created a cookbook full of mouth-watering recipes to satisfy your craving for a home-cooked meal. Every recipe is as simple as possible so the instant variety is used when available. These recipes are also great for the college student to make in their dorm room. The only thing is that college students usually have a microwave or a toaster to work with but hotel...
