Seminar paper from the year 2007 in the subject South Asian Studies, South-Eastern Asian Studies, grade: 87, Dongbei University of Finance and Economics (School of International Business), course: Chinese Financial System, 31 entries in the bibliography, language: English, abstract: China is a fast growing economy. Therefore a lot of companies intend to enter this market. Mergers and Acquisitions (M and A) are a useful tool to do so. First of all, it is important to understand the key principles of M and A. Therefore chapter 2 gives a summary of the most important aspects of mergers and acquisitions in general. Chapter 3 gives an introduction to the Chinese M and A market. It will deal with statistics concerning inbound and outbound deals, FDI and an overview of M and A advisory and investment banks. Chapter 4 will focus on the current situation of M and A activity and foreign direct investment (FDI) in China. FDI is another method for entering a market and is a competing tool to M and A. It will also present some examples of M and A where Chinese companies were involved....
