Reviews

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 26 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Pursuant to a congressional request, GAO discussed the Supplemental Security Income (SSI) program, focusing on: (1) factors contributing to caseload growth; (2) how the characteristics of SSI recipients have changed; and (3) ways to improve SSI. GAO noted that: (1) the major factors contributing to program growth include eligibility expansions, outreach, limited emphasis on return to work, and immigration; (2) the number of disabled SSI recipients has increased over 8 percent annually since 1986 and the disabled now receive nearly 80 percent of federal SSI payments; (3) adults with mental impairments, children, and noncitizens have accounted for nearly 90 percent of SSI growth since 1991; (4) SSI recipients now tend to be younger and depend more on SSI as a primary source of income; and (5) SSI could be improved by increasing current recipients disability reviews and placing more emphasis on rehabilitation, employment assistance, and work incentives. This item ships from La Vergne, TN. Paperback.
