Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Crucifixion of Christ Spirit, as Christians believe, all is plain. We can easily admit, that under such direction they might prepare such narratives. But if they had no such assistance, then these four books are a profound mystery. But throughout these narratives, we find many acts and occurrences related, which, if true, prove beyond a question, that Jesus Christ is the Son Of God, and the Saviour Of men that Christianity is worthy Of all acceptance. He is said to have instantly restored sight to persons born blind and without using any means adapted to such a result. He is reported to have healed all manner Of malignant dis eases instantly, by a touch or a word. He is represented as raising the dead to life. Places and circumstances are mentioned, and some times the names of the persons. It is impos sible to deny or to doubt, that the facts stated are such as would be palpable to the senses, and, therefore, are susceptible Of being proved by testimony. Nor can it be doubted, that men capable Of writing these narratives, were possessed Of sufficient intelligence to know whe ther they themselves witnessed those things.
