Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Before we begin, I want to make something completely clear. If there is anything that I am not, it is a theologian. While I have nothing against education as such, I have found out, over the years, that we can become so wrapped up in the minute details that we lose sight of the larger picture. To a considerable degree, in my opinion, this is what has happened to humans in their relationship with a Supreme Being, the Almighty, or God, whichever name you wish to apply to the spirit which supposedly guides us to positive realms. Over the course of my life, I have also discovered that my relationship with animals, both wild and domestic, has lent itself to a greater appreciation of the connection between God and our Earth. In observing these truths, I began to contemplate and seriously consider the grand parallels which could be drawn between these relationships and how we, as humans, should also interact with God. The thoughts and reflections involved in this process became the genesis of the book which you now read in the electronic device of your choice. During the course of my life, I have spent most of it in rural environments, with a small portion being in cities of significant size. As city sizes increase, it becomes noteworthy to see that, in increasingly losing connection with nature and its inhabitants, people tend to become less, rather than more, civilized. City planners who try to incorporate green space into city layouts seem to be trying to mitigate some of that negative impact. But, in the end, increasingly crowded conditions make basic civility more and more difficult to maintain....
