John Cross Publications, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Distance Healing is steeped in mystery and intrigue. How can you possibly have influence and create changes within another human being without actually touching them or by not even being in the same room? This book gives the answer to this fundamental question as well as describing in detail about dowsing, medical analysis and healing. As the title suggests, this is about John s way of performing this form of healing - information is given freely and dispassionately following his years of perfecting this art as a practicing therapist. John is adamant that anyone is capable of doing distance analysis and healing - the essential requirements are to have bags of empathy and love for your clients and to be able to have total commitment to the task in hand.
