

## The Creationists: From Scientific Creationism to Intelligent Design (Paperback)

By Ronald L. Numbers

HARVARD UNIVERSITY PRESS, United States, 2006. Paperback. Condition: New. Expanded ed. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. In light of the embattled status of evolutionary theory, particularly as intelligent design makes headway against Darwinism in the schools and in the courts, this now classic account of the roots of creationism assumes new relevance. Expanded and updated to account for the appeal of intelligent design and the global spread of creationism, The Creationists offers a thorough, clear, and balanced overview of the arguments and figures at the heart of the debate. Praised by both creationists and evolutionists for its comprehensiveness, the book meticulously traces the dramatic shift among Christian fundamentalists from acceptance of the earth's antiquity to the insistence of present-day scientific creationists that most fossils date back to Noah's flood and its aftermath. Focusing especially on the rise of this flood geology, Ronald L. Numbers chronicles the remarkable resurgence of anti-evolutionism since the 1960s, as well as the creationist movement's tangled religious roots in the theologies of late-19th and early 20th Century Baptists, Presbyterians, Lutherans, and...
