

## Tall Stories: Omnibus 5 (Paperback)

Filesize: 7.32 MB

### **Reviews**

*A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, changing the way I believe.*

Little, Brown Book Group, United Kingdom, 2004. Paperback. Condition: New. Language: English . Brand New Book. EXPECTING SOMEONE TALLER - All he did was run over a badger - sad, but hardly catastrophic. But it wasn't Malcolm Fisher's day, for the badger turned out to be none other than Ingolf, last of the Giants. With his dying breath, he reluctantly handed to Malcolm two Gifts of Power, and made him ruler of the world. But can Malcolm cope with the responsibility? YE GODS! - Being a Hero bothers Jason Derry. It's easy to get maladjusted when your mum's a suburban housewife and your dad's the Supreme Being. It can be a real drag slaying fabulous monsters and retrieving golden fleeces from fire-spitting dragons, and then having to tidy your room before your mum'll let you watch Star Trek. But it's not the relentless tedium of imperishable glory that finally brings Jason to the end of his rope; it's something so funny that it's got to be taken seriously. Deadly seriously .
