VALLEY OF DREAMS (HARDBACK)

HarperCollins Publishers, United Kingdom, 2006. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Charlton Athletic represent a model of how a Premiership football club should be run. Former manager Alan Curbishley reveals the secrets of the club's success - from the boardroom and manager's office down to the dressing room and pitchside - and reflects on how the club went from homeless strugglers to challenging football's elite. Alan Curbishley encountered most of football's ill winds during the 15 years he was coach, co-manager, then sole manager of Charlton - a club once homeless, with gates of less than 3000, forced to sell players to pay the wages and to buy replacement kit for the first team, and teetering on the brink of extinction. And he gives an insider's view of the club's success in establishing itself in the world's toughest league, including a full update on their 2005/06 season. He also talks candidly about being shortlisted for the England manager's job. His book is a radical insight into the workings of a football club and its staff, and...
