Partridge India, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The world has observed a number of acts of brutality, like domestic violence, rape, and sexual assaults. Some of the major cases in recent past were of Elizabeth Pena, Rehtaeh Parsons, Oksana Makar, and Nirvaya, to name a few. Some victims managed to survive, but not all. They live in grief for the rest of their lives, and if not, they quit. This work is inspired from such cases where the victims have set examples by their life from grief to victory. And believe me, they can inspire you if you or someone of your near one is in grief. People commit suicide not because they are in grief but because they were unable to solve the lateral equations of insanity.
