Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

No binding. Condition: New. 232 pages. Pearl Zane Grey was born January 31st, 1872, in Zanesville, Ohio. From an early age, he was intrigued by history, fishing, baseball, and writing, all of which would stimulate his later success. Grey was an avid reader of adventure stories, consuming dime store novels by the dozen. By age fifteen he had written his first story; Jim of the Cave. His father, a difficult man, tore it to shreds and then beat him. He and his brother were keen fisherman and baseball players with aspirations of playing in the major leagues. Eventually, Grey was spotted by a baseball scout and received offers from colleges. Grey took up an offer from the University of Pennsylvania to studied dentistry. Naturally arriving on a scholarship really meant you had to be able to play. He rose to the occasion by playing against the Riverton club, pitching five scoreless innings and a double in the tenth which tied down the win. Sports scholarship kids can be average scholars. Grey certainly was. He preferred to spend his time outside class not trying to raise his grades but playing baseball, swimming, and writing. At university he was shy and teetotal, more of a loner than a party animal. Grey struggled with the idea of becoming a writer or baseball player for his career, but unhappily resolved that dentistry was the practical choice. Grey set up his dental practice in New York as Dr. Zane Grey after graduating in 1896. Though a dentist his real ambition now was to be a writer and New York had lots of publishers. Evenings were set aside for writing to offset the tedium of his dental practice. His first magazine article, A Day on the Delaware, a human-interest story about a Grey brothers fishing expedition,...
