Reviews

Absolutely among the finest pdf I have got possibly read. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Lois Cormier II)

THE ISSUE WITH TAMERLANE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Tamerlane Sword of Islam alias Alexander the Great Brief consensual history version: the utmost warlord Tamerlane or Timur the Lame (1336 - 1405) was a Turco-Mongol conqueror. He led military campaigns across Western, South and Central Asia, the Caucasus and southern Russia, and emerged as the most powerful ruler in the Muslim world after defeating the Mamluks of Egypt and the Ottoman Empire. Tamerlane founded of the Timurid Empire in Persia and Central Asia. Timur tried to restore the Mongol Empire and justified his Iranian, Mamluk, and Ottoman campaigns as a re-imposition of legitimate Mongol control over lands taken by usurpers. In the course of his numerous campaigns that span from Russia to India and to legitimize his conquests, Timur relied on Islamic symbols and language, referred to himself as the Sword of Islam, and patronized educational and religious institutions. The research of Dr. Fomenko et al leads us to a new understanding of the famous Tamerlane s biography. The oversized Tamerlane figure was a collation of two real historical figures for the most part, the first of them being Temir Aksak, or the Iron Cripple, from the late XIV century, and the second - Sultan Mehmet II (Mohammed II), the famous XV century conqueror who took Constantinople in 1453. Moreover, not a drop of Ghengis blood in neither of them. Better yet, the figmental figure of Tamerlane idem Timur became the foundation for the consensual biography of the greatest warrior of all times Alexander the Great. The dominating historical discourse in its current state was essentially crafted in the XVI century from a rather contradictory jumble of sources literally in line with American philosopher Santana s definition: History is a pack...
