Hay House UK Ltd. Paperback. Book Condition: new. BRAND NEW, **Be Your Potential: You Already Have Everything You Need. You Just Need to Know How to Use it!**, Joseph Clough, Hi, my name is Joseph Clough. Before I became a master hypnotist at the age of 18, life was a real struggle for me. I struggled with social isolation and intense blushing in public. For the last decade, I've strived to get my message out to as many people as possible. I have done this through my popular free podcast, free mobile apps, and online programmes. These have reached more than 2 million people around the globe in under two years. My mission is simple: to help as many people as possible. And the best way I've discovered to do that is to let everyone realize that the tools they need to live a life that they thought impossible - just as I used to - are already right at hand, if they know where to look! So **Be Your Potential** is your toolkit to start building that life. If you're struggling with negativity, limiting beliefs or want to improve your self-confidence and prosperity, my advice will let you visualize, believe and receive every goal you're reaching for.
