By Hermes Trismegistus

Bloomsbury Publishing PLC, United Kingdom, 2001. Paperback. Condition: New. New edition. Language: English . Brand New Book ***** Print on Demand *****. The Corpus Hermeticum is a collection of short philosophical treatises, a powerful fusion of Greek and Egyptian thought, written in Greek in Alexandria between the first and third centuries AD and rediscovered in the West in the fifteenth century when it was first translated into Latin by the great scholar and philosopher Marsilio Ficino. These writings were believed from antiquity up to the early seventeenth century to be the writings of Hermes Trismegistus, thrice-great Hermes, the name given by Greeks of the classical and Hellenistic periods to the ibis-headed Egyptian god Thoth. They were central to the spiritual work of Hermetic societies in late antique Alexandria, aiming to awake gnosis, the direct realization of the truth of the identity of the individual and the Supreme, and are still read as inspirational writings today. Professor Mahe's translation of The Definitions of Hermes Trismegistus to Asclepius has been made from an old Armenian version and a recently rediscovered Greek manuscript in the Bodleian Library, Oxford. This collection of aphorisms is closely related to parts of the Corpus Hermeticum...

Reviews

These sorts of book is the greatest book offered. This can be for all those who state that there had not been a really worth reading. I am just quickly could get a pleasure of reading a written ebook.
