Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Just as the modern day Fearless Four dreaded, the Scruffs were not good losers. Once they had worked out how their Easter sabotage mission was thwarted, things became quite scary. They made it very clear that they were intent on getting their own back. But the Scruffs hadn t reckoned on the ingenuity of the Fearless Four - plus a little help from Pop and Toby. Then the future of the Prince of Iceland was in jeopardy, and there was no way that Grace was going to let anything happen to the old Prince without a fight. The trip on the May Day special was probably the most exciting, and dangerous, so far.
